

## Instructions for Family Care Leave (FCL) Recertification Form (G2518-REC)

New York / New England Bargained For Employees

Please read the Instructions completely before filling out the form.

**Please Note:** The FCL Recertification Form (G2518-REC) is to be used for pre-existing Family Care Leave Certifications. If your current Family Care Leave Certification is expiring and you would like to continue your certification, you must complete and submit a new Family Care Leave application (G2518-FCL). Submitting the attached recertification form for these types of instances may result in a denial and disciplinary action.

If you have any questions or need additional information, call 1-855-814-9344.

**The minimum period of FCL is 3 calendar days.** The FCL Recertification Form (G2518-REC) is to be submitted when you exceed the frequency and/or duration of a Family Care Leave. You will be required to submit an FCL Recertification Form within 25 calendar days from either the date you exceed or the date your supervisor notifies you that a recertification form is required; whichever is later. The family member's treating HCP must specifically designate coverage of any time that exceeds the current certification. If the form is incomplete or it is received after 25 calendar days, it may result in a denial and you may be subject to disciplinary action.

If your request for leave is denied, you may request an administrative review of the denial. You will need to provide a copy of the completed recertification form along with supporting documentation. Supporting documentation includes, but is not limited to, a copy of a fax transmittal providing that your form was faxed timely, documentation from your family member's treating HCP regarding a process delay, or documentation of any extenuating circumstances that prevented you from returning the form timely.
